

BHIPP ECHO

Behavioral Health in Primary Care: Beyond the Basics

This series is great for providers who have already participated in BHIPP ECHO, or who feel like they are experienced in treating behavioral health in their practice setting and are looking to explore advanced topics.

What are the benefits?

- Enhance knowledge of child mental health
- Connect with other Maryland pediatric providers in a virtual format
- Share and discuss mental health cases with peers and subject matter experts
- Improve confidence with managing patients with mental health diagnoses
- Earn free CME and CEU credits

Who Should Attend?

Pediatric primary care providers and care teams (e.g. pediatricians, family physicians, nurse practitioners, physician assistants, registered nurses, social workers, practice managers) are welcome and highly encouraged to participate.

 All dates at 12:00 - 1:00 pm
