

BHIPP TeleECHO™ Clinics

Join us on the 4th Thursday of every month from 12:30 pm to 1:30 pm for presentations and discussions with Mark Riddle, MD, David Pruitt, MD, Hal Kronsberg, MD, and the BHIPP team.

Who Should Attend?

- Pediatric primary care providers (e.g. pediatricians, family physicians, nurse practitioners, physician assistants, registered nurses, social workers) and other members of the office staff are welcome.

Benefits

- Monthly case-based clinical discussion on evaluation and treatment of child mental health in primary care and updates on scientific advances
- Enhance knowledge of child mental health so that you can become a resource for referrals for child mental healthcare in your practice and community
- Improve confidence with managing patients with mental health diagnoses
- Free CEU and CME credits available

Curriculum
