

BHIPP TeleECHO™ Clinics

Join our multidisciplinary team of child behavioral health experts once a month from 12:30-1:30pm on the dates listed below for case-based learning and didactic presentations.

Who Should Attend?

Pediatric primary care providers (e.g. pediatricians, family physicians, nurse practitioners, physician assistants, registered nurses, social workers) and other members of the office staff are welcome.

Benefits

- Enhance your knowledge of child mental health and become a resource for referrals for child mental healthcare in your practice and community
- Connect with other Maryland providers
- Share and discuss complex cases with peers & subject matter experts
- Improve confidence with managing patients with mental health diagnoses
- Free CME and CEU credits available
