

The Five S's:

Key Questions for Consultation

1. **Safety:**

Are there safety concerns?

2. **Specific Behaviors:**

What are the behaviors that are causing the most problems and when/where are they occurring?

3. **Setting:**

What are the behaviors that are causing the most problems and when/where are they occurring?

4. **Scary:**

Have any hard or scary things happened?

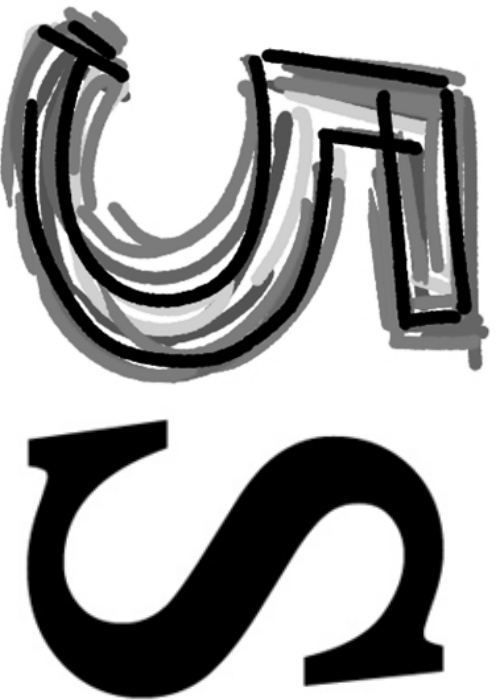

5. **Screenings:**

Has the child had any assessments?
